Luigi Francoli – Grappa Sherry Cask Finish – 40% GRAPPA –

Domain Francoli

Originally started by Luigi Guglielmo in 1875, the distillery has been officially owned by the Francoli family in the Piedmont region of northern Italy for five generations. At Francoli, high-quality wine distillates are produced from Piedmont (Alba, Barolo, Moscato d'Asti), but also from other Italian regions, such as Veneto (Prosecco).

Vinification

After an initial passage in French oak, this Grappa completes its maturation in barrels previously used to elevate Sherry, enriching itself with its respective characteristic notes.

Taste

Thanks to the sherry cask finish, this grappa has a complex aroma of fruit, coffee, cacao, vanilla and walnuts. Full-bodied sherry with a long, sweet finish.

General information

Type: Aperio & Digestif
