## **Bonnaire – Blanc de Blancs G.C. Champagne France (CHAMPAGNE) –**

### **Domain**

#### **Bonnaire**

This champagne has been produced in Cramant since 1932. This municipality is classified as Grand Cru of the Côte de Blancs. Fernand Bouquemont received help from his son-in-law André Bonnaire during WWII. André Bonnaire, from a family who had been producing champagne for generations, ensured the further modernization and development of the vineyards. Today this domain of +/- 22 ha is managed by André's son, Jean-Louis Bonnaire. He is also assisted by his 2 sons: Jean-Etienne (production) and Jean-Emmanuel (marketing).

### **Vinification**

Alcoholic and malolactic fermentation followed by a maturation of 9 months in stainless steel tanks. Then at least 36 months sur lattes. The dosage is 7 grams / L.

### **Taste**

A cru that manages to combine its powerful roundness and fruitiness with a mineral undertone. In the nose a complex aroma with floral and grilled tones. Candied fruit on the palate, honey-like and very balanced. In the end a great vibrancy with soft lemon-like impressions. Long finish.
